

A Note of Thanks

The *International Seminar on Portrayal of Social Issues in Literature and Media* is a maiden academic venture of the Department of Journalism and Mass Communication, Periyar University & Centre for Media and Social Science, Salem District, Tamil Nadu.

The Organising Committee expresses its gratitude to the management of the Periyar University for their permission to conduct a one-day historical international seminar on 10th February 2018.

We would like to extend our special thanks to the benevolent gestures of our Honourable Vice Chancellor Dr. Kulandaivel for his constant support and guidance not only for this seminar but for all activities in our campus. Without his leadership and motivation, we could not have organized this very useful International Seminar.

I am immensely glad to record my deep sense of gratitude to our beloved Registrar for his constant and continuous encouragement in making this seminar a grand success.

I am indebted to the team members of Centre for Media and Social Science, Salem for their enthusiastic and hard work. I am really proud to be a mentor of my students in Centre for Media and Social Science.

We must also thank the contributors of the well-researched papers on *Portrayal of Social Issues in Literature and Media*, a volume of scholarly papers – an amalgamation of intellectual pursuit. Contributors brought in excellent insights into the issues discussed in the seminar.

No words could fully express my thanks and gratitude to the member of the organizing committee, Faculty Members of the Department of Journalism and Mass Communication, Periyar University and Research Scholars of our Department for their whole-hearted cooperation in making this seminar a grand success.
